BEHIND THE SCENES TOURS OF THESE HAUNTS:
• Terror Behind the Walls, a multi-haunt presenting:

1.) - Intake - An indoor/outdoor haunted attraction with theming based on the prisoner processing experience.

2.) - Lock Down - This haunt is located in the three-story Cellblock 12 built in 1911, and is themed as an electrified prison cellblock.

3.) - 13 Rooms - The theming revolves around various work in a prison, such as the mess hall, laundry room, and morgue.

4.) - The Experiment (in 3-D!) - A 3-D haunted house, based on the idea of a "prison doctor's," experiment gone wrong.

5.) - Night Watch - a haunted house where the only lighting is provided by flashlights carried by guests.
