PAPERCLIP TAG TO EACH ITEM

Thank you for entering the debut of: *The Haunter's Lair Competitions*. What each haunt and haunter does each season takes time and effort and in many cases they are truly works of art. Our goal is to highlight and recognize them for the professional media pieces that they are!

**A couple housekeeping notes:**

1. Your submission for marketing and/or T-shirt must be from the 2010 season.
2. Each submission must be accompanied with its own tag
3. Use this sheet to run off as many copies as you need.
